■ ALUMINUM-CLAD VINYL WINDOW

Aluminum-clad vinyl windows offer the same easy maintenance and high-performance as an all-vinyl product, but with increased durability. An extruded aluminum-clad exterior gives your window a crisp finish that combines performance and aesthetics. Get the best of both worlds with the JELD-WEN aluminum-clad vinyl window.

GRILLE OPTIONS

SIMULATED DIVIDED LITES (SDL)

SDLs can be applied to window glass exterior (aluminum) and interior (vinyl). Exterior grilles are made to match the window colour, where interior grilles come in white.

*Also available as a false mullion.

GRILLES BETWEEN GLASS (GBG)

Grilles Between Glass (GBG) are a non-removable feature built within the glass, making them an attractive, low-maintenance option. They create the luxurious appearance of traditional grilles, while offering easy cleaning for both interior and exterior glass surfaces.

Flat and Georgian grilles are available two-toned in all DF Collection colours.

STANDARD GRILLE PATTERNS

EXTERIOR OPTIONS

EXTERIOR ALUMINUM MOULDINGS

#AL-047

1 1/2" Brickmould with nailing flange

Also available: 1 1/2" Brickmould without nailing flange

Vinyl Window

NEW! FINISHIELD™ INTERIOR LAMINATE FINISH

An alternative to paint, this innovative new laminate finish option resists scratches and protects the vinyl beneath from damaging UV rays. FiniShield™ delivers a beautiful consistency by reducing colour variation across multiple window units.

Currently only available in black.

INTEGRATED U-CHANNEL

Install your own jamb extension on the interior of the window frame with an Integrated U-Channel that allows 1/2" and 3/4" material. Factory applied jamb extensions are available in vinyl, pine and primed pine.

HARDWARE

CASEMENT & AWNING HARDWARE

Multi-Point

Added security as well as a tight seal.

Stylized Folding Nesting Handle

Contoured operator with folding handle, and made from high-performance materials for ease and years of carefree use.
